TASK	Travel Buddy
PAGE	Pre-Authorization
STATE	Default
STORY	When users enter the tab for the first time, they will be presented with an introduction video.

- NOTES**
1. Like button will always be present. There is no like gate, but at any time during the experience users can like the brand page. If users already like the page, it will display as "Liked" (as seen in the wireframe)
  2. Menu items will launch in an overlay.
  3. Introduction video summarizes the Travel Buddy concept and explain how it works.
  4. Get Started will start the authentication process.

The wireframe shows a Facebook page layout. At the top is the Facebook navigation bar with the logo, search bar, and user profile 'Jordan Kentris'. Below this is a page header for 'Capital One Canada Travel Buddy' with a 'Liked' button. A secondary navigation menu contains 'Prizes', 'Rules & Regulations', 'Help', and 'About Aspire'. The main content area features a 'Logo' placeholder, an introduction text block starting with '<Introduction copy + Prizing> Quis magnis lectus tortor sagittis? Odio placerat? Dignissim a, auctor et, sociis amet lacus et porta mauris...', a 'Video' placeholder, and a 'GET STARTED' button. The footer contains copyright text: '© 2012 Capital One. Capital One is a registered trademark. All trademarks used herein are owned by the respective entities. All rights reserved.' and links for 'Privacy | Security | Terms of Use'.

TASK	Travel Buddy
PAGE	Authentication
STATE	Default
STORY	On first entry users will be asked to grant the app permission to retrieve information from the users profile.

- NOTES**
- Users can opt out of this feature. If they do, later in the process we will ask for permission again.

TASK	Travel Buddy
PAGE	No Flash
STATE	Default

**STORY** If users have an out of date version of flash, or don't have flash installed in their browser, they will be prompted to update. They will also be given the chance to skip the postcard process.

**NOTES**

- Alternative text will be present for users who don't have flash enabled (or javascript), that will allow them to be directed to the entry form without creating or sharing any of the postcards.

<b>TASK</b>	Travel Buddy
<b>PAGE</b>	Postcard
<b>STATE</b>	Default
<b>STORY</b>	Once users have been matched up with their friends, we will present them with their first postcard matchup.

- NOTES**
1. The Edit Postcard button will allow users to tweak their photo and their friends photo as well as put a new friend in the postcard.
  2. Postcard will have both the users and friends face embedded into a photo.
  3. Text below the photo will display the reasons you are compatible with your friend. If users search out a friend to place, the text will reflect that as well.
  4. Publish Photo will post the photo to their timeline. If users opted out of giving the app permission to post on their behalf, we will prompt again.
  5. Next button will show the user a new postcard with a new friend matchup.
  6. Enter contest will display until the user has entered for that week. Any subsequent visit that week will have this button hidden.

The screenshot shows a Facebook page for 'Capital One Canada Travel Buddy'. The page layout includes a header with the Facebook logo, search bar, and user profile 'Jordan Kentris'.
